

Please welcome

Sheyla Guterriez

Sheyla Gutiérrez is a Professional Dog Trainer and Dog Agility Judge, offering training and behavior services to dogs and their care givers. Sheyla teaches a variety of classes in agility, obedience, house training, manners, dog sports, relationship building, behavior issues and consultation. I

Originally from San Juan, Puerto Rico, she has trained dogs for 20 years. her Labrador Retriever, Zohe, and since then has trained and handled a wide variety of dogs including a Doberman Tyson, Pugs Elphie and Minnie, BC's Chill, Fanta, Shiny and Rebel, as well as many of her students' dogs throughout the years. Sheyla and her dogs have achieved agility champion status in both USDAA (multiple ADCH, PDCH and even LAA) and AKC (MACH). Her dogs have been Performance Speed Jumping and Grand Prix Finalist at Cynosport, UKI US Open Winner Takes All and Masters Series Champion

Sheyla prides herself in staying current with the changes in the sport, and believes strongly that dogs (like their people) are individuals and have different learning styles – so she particularly likes to adapt the work to fit the needs of the team. She enjoys working with behavior issues as well as agility, and recognizes the importance of being able to think outside the box to find solutions.

Seminars will be limited to 5 students. With this reduced class size you will still receive the same amount of instructional time and runs as you would if there were 10 students for 7 hours.

Wednesday July 29

8:00 am - 12:00 pm

Problem Solving

\$150

Handlers bring their problem, ie. motivation, ring nerves, weaves, contacts, table, dropped bars etc. and Sheila will advise and work with the team to find ways to resolve the issue
