Tawni Millet

An agility STAR bringing
starlight, joy & fun

Tawni's love for dog training began at a young age. It started with her Jack Russell terrier, Buttons, graduating at the top of the class for obedience in 2002. In 2011, Tawni got her second agility dog, a Border Collie named Jolt. Together they have had much success representing Team USA on multiple teams including at the European Open, World Agility Championships, and the World. Tawni's next dog is Jolt's daughter, Little Sparkle who recently received the AKC NAC national agility champion title and has made finals at both her first AKC and USDAA Nationals (won 2018 biathlon at cynosport), 3x Regional Champion Little was selected to represent Team USA at the World Agility Championships April 2019 and she brought home a Gold Medal for Team USA. Tawni and Legendary (Jolt's son from her 2nd litter) debuted on the national level in fall 2021 and made the podium and several placements. In addition to Border Collies and Jack Russells, Tawni has experience running and working with many different breeds. She is very excited to share her passion for handling and training with her students to help guide them towards reaching their goals. Highlights of her accomplishments are listed below:

2023 US World World Agility Championships Team USDAA
2023 Premier Cup JWW 2nd place + finalist
2022 IFCS World Agility Championship bronze medalist
2022 AKC NAC with Little Sparkle with 4 1st place runs including challengers
